| **Date of Birth:** 07/08/1972 | **Nationality:** Tunisian |

## EDUCATION AND TRAINING

2023	<b>University Accreditation (HDR)</b> , University of Manouba, Tunisia, July, 20, 2023.
2008	<b>Qualification</b> in "Information and Communication Sciences", France <a href="http://www.legifrance.gouv.fr/affichTexte.do?cidTexte=JORFTEXT000019903840">http://www.legifrance.gouv.fr/affichTexte.do?cidTexte=JORFTEXT000019903840</a>
2002-2004	<b>PhD</b> in <b>Information and Communication Sciences</b> , University of Paris8 under the direction of Prof. Dr. Imad Saleh, entitled "Collaborative research of information: rethinking the architecture of SRIs in the digital age".
2001-2002	<b>Master's degree</b> "Engineering of open computer systems" at the Paris central school, Professional thesis entitled "Creation of a directory of XML schemas".
1996-1997	<b>Master's degree (DEA: Diploma of Advanced Studies)</b> <b>Information and Communication Sciences</b> at the ENSIB (Higher School of Information Sciences and Libraries), Lyon (France). Master's Thesis: "Feasibility study of hypertext systems in the file of matter authority of the national library of France".
1992-1996	<b>Bachelor's degree</b> in <b>Documentation, Libraries and Archives sciences</b> at the Higher Institute of Documentation (Tunisia). Graduation Project: "Bibliographical and Analytical Study of the Maghreb Journal of Pediatrics";

## UNIVERSITY FUNCTIONS

SINCE 2021	▪ <b>Assistant Professor at Information studies department, SQU university, Oman</b>
SPRING 2020	▪ <b>Visiting professor</b> at Information studies department, SQU university, Oman
SINCE 2005	▪ <b>Assistant Professor</b> at the Higher Institute of Documentation, University of Manouba, Tunisia
2012 - 2014	▪ <b>Associate professor</b> : Middle East College, Muscat, Oman
2002 - 2005	▪ <b>Lecturer</b> , Hypermedia Department, University of Paris8 ;

## PEDAGOGICAL RESPONSIBILITIES

Depuis 2023	▪ <b>Program Coordinator of the master's degree</b> in information and library sciences. Department of Information Studies, College of Art and social sciences, Sultan Qaboos University, Oman.
2011-2018	▪ <b>Program Coordinator of the master's degree</b> in Information Management and Digital Documents (LMD) at the Higher Institute of Documentation, University of Manouba, Tunisia.
2008-2011	▪ <b>Program Coordinator of the master's degree</b> in Libraries and Documentation sciences at the Higher Institute of Documentation, University of Manouba, Tunisia. ▪ Elected member of the Scientific Council at the Higher Institute of Documentation, Tunisia. ▪ Supervision of internships and master's theses at the Higher Institute of Documentation, Tunisia.
2004-2008	▪ President of the exams jury of Bachelor's degree in Management of documents and archives at the Higher Institute of Documentation, Tunisia.

## MAIN QUALIFICATIONS

- Document Engineering and Electronic Document Management (EDM)
- Records Management and Electronic archiving (RMS, EDRMS) and related issues (Standard 15489, MoReq, specifications, design of archiving systems, programming of project progress, dematerialization scenarios, quality monitoring, etc.)
- Digital document, structured languages (HTML, XML), metadata (Dublin Core, RDF, EAD, EAC ...)
- Library and Documentation Systems: Winisis, PMB, Koha, GreenStone
- Standards in the Field of Libraries and Archiving: ISBD, UNIMARC, EAD, EAC,

- Record Management Standard 15489, MOREQ, OAIS, PDF / A, etc.
- Operating systems: Linux, Windows; Languages: PHP, SQL, UML, XML, HTML;
- DBMS : PostgreSQL, MySQL ; Web servers : Apache, Tomcat;
- Modeling software (Objecteering), XML (XMLSPY),
- Image Processing Software (Adobe Photoshop),
- Survey Processing Software (Sphinx), HTML (Dreamweaver, FrontPage, Web Expert, NVU),
- Office suites (Ms-Office, Open Office).

## COURSES INSURED AT UNIVERSITY

<b>Department of Information Studies, Sultan Qaboos University:</b>	
- Archives Management	- Electronic government
- Indexing and abstraction	- Information networks and the Internet
- Electronic archives	- Open access
- Governmental institutions and their documents	- Internet search strategies (Online)
- Electronic publishing	- Database Systems
<b>Department of RMA, Middle East College, Muscat (Sultanate of Oman):</b>	
- Foundations of Archival science	- Electronic document management,
- Preserving and maintaining documents and archives	- Contemporary issues in electronic document management and preservation
- Administrative Communication	
<b>Higher Institute of Documentation, University of Manouba, Tunisia</b>	
- Electronic Management of Documents and Digital Content Management:	- Intermediate Archives Management and Retention Schedule
- Electronic archiving	- Digital documentary information:
- Foundations of Archival science	- XML Technologies
- Databases	
<b>Institute of Press and Information Sciences, University of Manouba, Tunisia</b>	
- Design of a multimedia product	
<b>Department of Hypermedia, University of Paris8, France</b>	
- XML technologies	- Dynamic Web

## PROFESSIONAL EXPERIENCES HOS UNIVERSITY

<b>May-Dec 2018</b>	<b>Expert trainer in electronic archiving</b> at the Tunisian Ministry of Higher Education and Scientific Research for the benefit of Borj Cedria technopole. Project: Technical assistance for the valorization of research, the development of research-industry links, the creation of scientific and technological platforms and the quality certification and accreditation at the Borj Cédria Technopôle. Transtec Consortium - NSF Euro Consultants - European Business Network
<b>2011-2012</b>	Expert at the Independent Higher Authority for Elections. <b>Document and archive the entire Tunisian electoral process:</b> <ul style="list-style-type: none"> <li>- Development of databases on everything published in print and online journals on ISIE and political parties: July-November 2011</li> <li>- Development of archival tools for the ISIE and IRIES archives (Nomenclature of standard files and Retention Schedule)</li> </ul>
<b>2009-2010</b>	Expert to the Ministry of Justice and Human Rights: <b>Dematerialization of the archives of the common law courts as part of the modernization of the judicial system project.</b> Project funded by the European Union <ul style="list-style-type: none"> <li>- Analysis of the existing documentary in common law jurisdictions;</li> <li>- Proposal of dematerialization scenarios for archives;</li> <li>- Drafting of the technical specifications of dematerialization of the archives;</li> <li>- Drafting of a report on dematerialization procedures for both internal staff and external technicians involved in the project;</li> <li>- Writing a project quality monitoring report.</li> </ul>
<b>2005-2006</b>	Internet / Intranet Network and Websites Trainer at the National Computer Center
<b>2001-2002</b>	Internet developer at <i>EDIFRANCE</i> (EDI Promotion Association, Paris): Establishment of a dynamic XML schema website;
<b>2000-2001</b>	Cultural animator in <i>Léo Lagrange center</i> , Villeurbanne (Lyon): Introduction to subscribers to the use of the Internet and its various services: e-mail, Web, Chat, development of discussion spaces, etc. <i>Léo Lagrange Cultural Center</i> ;

<b>1999-2000</b>	Studies manager in the DEBORA project which aims to set up a system for remote access to 16th century books: assessment of users' needs, digitization of documents, setting up access interfaces, development of functionalities for collaborative work. ENSSIB ;
<b>1998-2000</b>	Archivist in <i>EURO RSCG Society</i> (Paris): Implementation of a EMD system for the digitization, storage and dissemination of advertising posters created by the agency on behalf of clients;
<b>1994-1995</b>	Assistant librarian at the Center for Studies, Research and Documentation on Youth, Children and Sport (Tunis): Participation in the creation of biographical and bibliographical databases in the field of children, youth and Sport ;
<b>1991-1992</b>	Contractual Teacher at the Ministry of National Education (Tunisia): Courses given in the framework of the national program for basic education: 2nd year and 4th year.

## PROFESSIONAL TRAINING EXPERIENCES

- Training of administrative executives and archivists of the Urban Planning Agency of Greater Tunis (AUGT), November 2015: Management of documents and archives, CIFA, period: 03 days.
- Training of managers and trainers in training centers attached to the Tunisian Agency of Vocational Training, October 2015: Electronic document management, CENAFFIF, period: 06 days.
- Training of executives of the loan fund (Caisse des prêts); November 2014: filing and electronic archiving of documents: a new technology that must be mastered, CIFA, period 02 days.
- Training of Ministry of Equipment executives: October 2009, Theme: Electronic Document Management, Training Firm: CIFA, 03 days' period;
- Training of Omani government officials: Muscat, December 2008, theme: digital documents and the issue of long-term conservation. Period: 15 days (50 hours).
- Training of Tunisian librarians and archivists: June 2008, theme: The digital document: structure, standardization and archival processing, HTML languages, XML, training firm: Tunisian Association of Archivists (AGAT), in partnership with the ISD, period: 03 days.
- Training of executives of the Mutual Accidents School and University: June 2008, theme: electronic management of documents, training firm: CIFA, period: 03 days;
- Training of officials of the agency for the presentation and promotion of cultural heritage and those of the National Institute of Heritage: February 2008, theme: management of documentary services, Training Cabinet: CONSORD, period: 07 days;
- Training of officials of the Ministry of Equipment: November 2005, Theme: Electronic Document Management, Training Firm: CIFA, period 03 days;
- Training of public administration archivists: June 2005, theme: computer networks and structured languages, Training firm: Technomedia, period: 3 days;

## SCIENTIFIC RESEARCH ACTIVITIES

- Member of the editorial board of the **Journal of Information Sciences** published by the School of Information Sciences in Rabat (Morocco) <https://revues.imist.ma/index.php/JIS/pages/view/comite>
- Member of the Editorial Board of the **Journal of Humanities and Social Sciences** published by the University of Constantine 2, Algeria <https://www.asjp.cerist.dz/en/PresentationRevue/39>
- Member of the Scientific Committee of **Digital borders Conference (Frontières Numériques)** organized by the University of Paris 8: <https://conferences-paragraphe.univ-paris8.fr/frontieres-numeriques/2023/>
- Member of the scientific committee of the 34th **conference of the Arab Federation for Libraries and Information**. In partnership with the Saudi Libraries Authority, Saudi Arabia 14-16 November **2023**. About: Arab libraries and information institutions and their role in promoting the economy and entrepreneurship.
- Member of the Organizing Committee of the 22nd **Arab International Conference on Information Technology (ACIT'2021)**, organized by the Department of Information Studies, College of Arts and Social Sciences, Sultan Qaboos University, in collaboration with Arab Colleges of Computing and Information Society (CCIS), conference sponsored by IEEE, Oman Section.
- Chair of the International conference on Libraries and Archives in the Digital Humanities **CIBAHN** (held in 2016 in Tunis: <http://cibahnblog.wordpress.com> and in 2018 in Paris: [http://www.digitaluses-congress.univ-paris8.fr/CIBAHN-2018\\_about](http://www.digitaluses-congress.univ-paris8.fr/CIBAHN-2018_about)), and 2020 and 2024 in Tunis.
- Member of the scientific committee of the International Conference on the Digital Document (**CIDE**) and Co-Chair of the 15th version, Tunis, Nov **2012**: Information, Library and Archives Professions in the Age of Digital Differentiation.
- Member of the committee of the international conference **H2PTM**, organized every 2 years by *Paragraphe laboratory* (University of Paris8). The conference website: <http://paragraphe.univ-paris8.fr>
- Member of the organizing committee of the international conference: interacting and transmitting; Information and Communication: Values and Values, jointly organized by the French Society of Information and Communication Sciences

(SFSIC), the Higher Institute of Documentation of Tunis (ISD) and the Institute of Press and Communication Sciences information from Tunis (IPSI) on 17-19 April **2008**.

- Member of the organizing committee of the national conference on **the future of the information professions**, organized by the ISD, on 19-20 April **2007** at the Cité des Sciences;
- Organization of the study day: "Digital Document" on January 15, **2004** at Paris8 University. Speakers (JM Salaün (ENSSIB), C. Lupovici (BnF), C. Roisin (Grenoble University), P. Engelbart (Caen Univ.), S. Tazi, JT Julia and O. Ertzcheid (Toulouse University): Christine VANOIRBEEK (Swiss Federal Institute of Technology) and Bruno Bachimont (Compiègne University Professor of Technology) Announcement and program on the ADBS list <http://listes.adbs.fr/sympa/arc/adbs-info/2004-01/msg00001.html>
